TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the March 2024 TDT collection month were $40,550,000

March 2024 collections were higher than March 2023 collections by $1.6 million or 4%. This is also the highest monthly collections ever. While this is very positive news, it is important to note that seasonal variations, such as the timing of spring break and Easter vacations can cause monthly comparisons to be somewhat misleading. Last year, Easter fell in April. This year it fell in March. So, it will be important to monitor April collections. Some other facts are…

- On a fiscal year to date basis, collections are down by $28,900.
- March 2024 collections were higher than February 2024 collections by $6.5 million.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2021.

On the TDT reserve side, Renewal & Replacement Reserves ("R&RR) increased by $5.4 million in March as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $76.1 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project, Camping World Stadium renovations, additional Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the April TDT collections report in early June.

1. Debt service reserves are restricted for debt service only and equal the maximum annual debt service payment.

2. Property plant and equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,523,462.

3. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

4. Other authorized uses are reserves, which when added to all other reserves exceeds $300 million dollars. This reserve can be used for any legally authorized expenses.
