TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the April 2024 TDT collection month were $30,304,800.

April 2024 collections were lower than April 2023 collections by $3.3 million or 9.9%. It is likely that the timing of spring break and Easter vacations affected our collections. Last year, Easter fell in April. This year it fell in March. That would have increased March 2024 collections and, decreased April 2024 collections. However, comparing the combined March and April months for 2024 and 2023, would show that combined March/April collections were down by $1.8 million or 2.4% from 2023 to 2024. Some other facts are…

- On a fiscal year to date basis, collections are down by $3.3 million or 1.4%.
- April 2024 collections were lower than March 2024 collections by $10.2 million or 25.3%.
- The nearly 10% drop from April 2023 to April 2024 is the largest monthly drop (by percentage) since February 2021.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2021.

On the TDT reserve side, Renewal & Replacement Reserves ("R&RR) increased by $11.6 million in April as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $89 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project, Camping World Stadium renovations, additional Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the May TDT collections report in early July.

1. Debt service reserves are restricted for debt service only and equal the maximum annual debt service payment.

2. Property plant and equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,539,293.

3. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

4. Other authorized uses are reserves, which when added to all other reserves exceeds $300 million dollars. This reserve can be used for any legally authorized expenses.
