TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the July 2024 TDT collection month were $26,610,100. July 2024 collections were lower than July 2023 collections by $561,000 or 2.1%.

Compared to last month, July collections were lower than June collections by $3.9 million or 12.9%. On a fiscal year to date basis, collections are down by $997,600 or 0.3%. The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2021.

As expected, Metro Orlando's travel performance was softer in July compared to last year. Hotel occupancy decreased by 3.1% to 71%, and Hotel Room Demand declined by 2.3%. The Average Daily Rate (ADR) softened by 2.2% to $174.16, down from $178.14 last year. July was also flat for the top 25 domestic markets, with U.S. occupancy slightly down, influenced by budget-conscious households taking fewer trips, higher-income households traveling abroad, and the current popularity of the cruise industry. On the TDT reserve side, Renewal & Replacement Reserves ("R&RR) decreased by $4.8 million in July as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $102 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project, Camping World Stadium renovations, additional Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the August TDT collections report in early October.

1. Debt service reserves are restricted for debt service only and equal the maximum annual debt service payment.

2. Property plant and equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,593,397.

3. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

4. Other authorized uses are reserves, which when added to all other reserves exceeds $300 million dollars. This reserve can be used for any legally authorized expenses.
