TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the October 2024 TDT collection month were $29,468,200. Although this amount is less than the record setting October 2022 collection amount, it is still $68,100 more than last October's collections. This represents a 0.2% increase from the previous year. This is a good start to the new collection year that began on October 1st.

Compared to last month, October collections were higher than September collections by $3.7 million or 14.4%. In addition, October collections were lower than October 2022 collections by $1.9 million.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

On the TDT reserve side, Renewal & Replacement Reserves ("R&RR) increased by $9.4 million in October as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $109.3 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project. Additionally, the Bond Reserve Account decreased by $20.4 million following the final maturity of the 2010 TDT bonds on October 1, 2024. This reduction in the Bond Reserve Account is being allocated to partially support the Committed to Future Bond Reserve needed for the County's planned debt issuance to fund the Convention Way Grand Concourse.

We will release the November TDT collections report in early January.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,356,673.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.
