ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the November 2024 TDT collection month were $31,788,300. This represents the highest November collections on record, and is a 7.1% increase from the previous year.

Compared to last month, November collections were higher than October collections by $2.3 million or 7.9%. In addition, collections were higher than November 2022 collections by $863,200. The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

Metro Orlando's hotel occupancy rose by 4.7% to 72.9%, and hotel room demand increased by 5.3%. The Average Daily Rate (ADR) for Orlando hotels reached $187.11, a 3.0% increase from the prior year ($181.59). Strong travel demand was driven by Orlando's extensive holiday offerings, sports events, concerts and festivals, including Electric Daisy Carnival (EDC). (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves ("R&RR) increased by $7.6 million in October as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $122.5 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the December TDT collections report in early February.

1. Bond Reserve Account is restricted for debt service only and equals the maximum annual debt service payment.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,356,673.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.
