TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the December 2024 TDT collection month were $31,761,400. This represents the highest December collections on record, and is a 6.4% increase from the previous year.

Compared to last month, December collections were lower than November collections by $26,900. In addition, collections were higher than December 2022 collections by $536,200. The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

December hotel occupancy grew 4% from December 2023, settling at 73.2%. The Average Daily Rate (ADR) for hotels was $209.93, up 2.2% from last year ($205.45). Holiday season room night demand increased 7.4% during the Christmas-New Years period. The Orange County Convention Center (OCCC) saw a 78% increase in attendance, thanks to large events, like I/ITSEC (a global technology conference organized by National Training & Simulation Association), Holiday Matsuri (an annual festive celebration of anime, gaming and cosplay), the Pop Warner Cheer Championships and the AKC National Championship. On the TDT reserve side, Renewal & Replacement Reserves (R&RR) decreased by $177,031 in December as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $117 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the January TDT collections report in early March.

1. Bond Reserve Account is restricted for debt service only and equals the maximum annual debt service payment.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,541,847.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.

* Amounts have been adjusted after reclassification between reserve categories.
