TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the January 2025 TDT collection month were $33,384,900. This represents the highest January collections on record, and is a 9.5% increase from the previous year.

Compared to last month, January collections were higher than December collections by $1.6 million. In addition, collections were higher than January 2023 collections by $4.3 million. The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

January's Hotel Occupancy, Demand and Average Daily Rate Surpassed Prior Year: Orlando's hotel occupancy grew 3.3% from January 2024, settling at 74.4%, which was the highest monthly occupancy for Orlando since March of last year. Average Daily Rate (ADR) for Orlando hotels was $202.91, reflecting a 4.7% increase from the previous year ($193.81). Both leisure and group hotel demand rose from last year with the help of winter school breaks, a long holiday weekend and several large events such as the FC Series soccer games at Camping World and the Future of Education Technology Conference and PGA Show at the Convention Center. On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $4.8 million in January as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $121.8 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the February TDT collections report in early April.

1. Bond Reserve Account is restricted for debt service only and equals the maximum annual debt service payment.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,541,847.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.
