TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the March 2025 TDT collection month were $40,177,100. That is a 0.9% decrease compared to March 2024.

“Although collections were slightly lower than last March, they still mark the second-highest monthly total on record and only the second time they’ve topped $40 million,” said Comptroller Diamond.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

According to Visit Orlando, Orlando's travel performance in March was softer compared to the same month last year, primarily due to the shift of the Easter holiday from March in 2024 to April in 2025 as expected. Hotel occupancy was down by 4.6%, settling at 76.6%. Overall hotel demand saw a slight decrease of 3.8%. The Average Daily Rate (ADR) for Orlando hotels reached $230.62, reflecting a 0.7% increase from the previous year ($229.09). Short-term rentals in the Metro Orlando area maintained demand levels similar to last year although the Average Daily Rate dropped by 15%. (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $8.9 million in March as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $136 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the April TDT collections report in early June.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,498,229.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.
