ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the April 2025 TDT collection month were $33,124,300. That is a 9.3% increase compared to April 2024.

“April collections were higher than last year—in part because Easter fell in April this year instead of March. However, April 2025 collections were still $519,300 less than April 2023-when Easter also occurred in April,” said Comptroller Diamond.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

According to Visit Orlando, Orlando's travel performance experienced solid growth in April 2025, with hotel occupancy rising 2.1% year-over-year to 73.0%, while demand increased at an even higher rate of 3.2%. The Average Daily Rate (ADR) climbed 6.7% to $223.44, driven largely by a surge in leisure travel following the Easter holiday shift. Short-term rentals also saw a significant boost in demand, up 28% from last year. (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $510,201 in April as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $136.5 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the May TDT collections report in early July.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,506,453.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.
