ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the June 2025 TDT collection month were $33,698,100. That is a 10.3% increase compared to June 2024.

“June 2025 collections were the highest June collections on record. The strong collections in June represent the first full month following the grand opening of Epic Universe on May 22” said Comptroller Diamond.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

According to Visit Orlando, Orlando's hotel occupancy in June rose 1.5% year-over-year to 73.5%, with demand increasing by an even greater margin of 3.4%. The Average Daily Rate (ADR) reached $196.70, reflecting a 4.2% increase from June 2024 ($188.70). Short-term rentals for Orlando saw a substantial increase in demand in June from last year (+18%), although ADR fell by 3%. Overall, June marked a solid start to the summer travel season, bolstered by the first full month of Universal's Epic Universe being open and major events like the AAU's Junior Volleyball National Championship running for several weeks in June. On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $13.3 million in June as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $154 million. This reserve will help offset some of the future expenses associated with recently approved projects and programs such as the Convention Center 5A expansion project (Convention Way Grand Concourse project), Camping World Stadium renovations, Arts and Application Review Committee (ARC) funding, and the UCF football stadium tower project.

We will release the July TDT collections report in early September.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $63,324,200.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This reserve can be used for any legally authorized expenses.
