ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the August 2025 TDT collection month were $25,649,100. That is a 10.7% increase compared to August 2024.

"August 2025 marked a record-breaking month, reflecting the strongest collections for any August and underscoring sustained momentum in summer collections" said Comptroller Diamond.

According to Visit Orlando, “Orlando’s hotel occupancy rose to 63.9% in August, a 2.5% increase over last year, with room demand increasing by a higher margin of 4.3%. The Average Daily Rate (ADR) reached $164.07, up 2.3% from the previous year ($160.36). The Orange County Convention Center saw a 66.7% increase in attendance, driven by major events such as Assemblies of God’s General Council and The Landscape Show. Short-term rentals across Metro Orlando posted an 18% jump in demand, though ADR dipped by 5%.” (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $11.9 million in August as shown in the attached “TDT Cash Reserve Summary”. The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $166.8 million. In the coming months, a portion of the planned increase in this reserve account will be utilized to make the initial debt service payment to the City of approximately $27 million related to the $400 million Camping World Stadium renovation project, along with a $10 million payment to UCF for the $90 million football stadium tower expansion and renovation project.

We will release the September TDT collections report in early November.

1. Bond Reserve Account is restricted for debt service only and equals the maximum annual debt service payment.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $64,116,416.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This total includes $30,222,988 that has been obligated for Application Review Committee (ARC) grants for capital projects. This reserve can be used for any legally authorized expenses.
