TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the September 2025 TDT collection month were $26,025,300. That is a 1.1% increase compared to September 2024.

"After a strong, hot summer, TDT collections cooled off in September with the start of the fall season" said Comptroller Diamond. However, Diamond noted this was still the best September in TDT history. In addition, the total collections for the fiscal year 2024-25 were $384.6 million, marking the highest annual collections ever.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2022.

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $4.2 million in September as shown in the attached “TDT Cash Reserve Summary”. The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $171 million, of which $28.9 million is obligated for Applicant Review Committee (ARC) grants for various capital projects. In addition, in the coming months, a portion of the planned increase in this reserve account will be utilized to make the initial debt service payment to the City of approximately $27 million related to the $400 million Camping World Stadium renovation project, along with a $10 million payment to UCF for the $90 million football stadium tower expansion and renovation project.

We will release the October TDT collections report in early December.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress.
