TOURIST DEVELOPMENT TAX COLLECTIONS
ORANGE COUNTY, FLORIDA

ORLANDO, FLORIDA – Orange County Comptroller Phil Diamond announced today that Tourist Development Tax (TDT) collections received by Orange County for the October 2025 TDT collection month were $33,928,000. That is a 15.1% increase compared to October 2024.

"With the start of a new fiscal year, TDT collections have surged out of the gate—setting a new all-time record for October collections" said Comptroller Diamond. “These collections are especially impressive because the federal government was ‘shutdown’ during the entire month of October.”

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2023.

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) decreased by $12.6 million in October as shown in the attached “TDT Cash Reserve Summary”. The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $158.4 million, of which $44.5 million is obligated for Applicant Review Committee (ARC) grants for various capital projects. The reduction in the R&RR is primarily due to ARC grants and higher capital outlay at the Convention Center. Over the next month, the County will make its first annual debt service payment to the City of approximately $27 million for the $400 million Camping World Stadium renovation project. In December, the County will also make a $10 million payment to UCF for the $90 million expansion and renovation of the football stadium tower project.

We will release the November TDT collections report in early January.

1. Bond Reserve Account is restricted for debt service only and equals the maximum annual debt service payment.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $65,001,644.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This total includes $44,489,700 that has been obligated for Application Review Committee (ARC) grants for capital projects. This reserve can be used for any legally authorized expenses.
