Orange County kicked off 2026 with strong performance. According to data from STR, Orlando had the third highest hotel occupancy among the top 25 domestic markets. Hotel occupancy reached 76.6%, up 1.5% year over year, while room demand increased 2.6%. The Average Daily Rate (ADR) climbed to $226.80, a 2.6% increase. The Orange County Convention Center reported a 10% increase in attendance, driven by major events including The Future of Education Technology Conference (FETC), Veterinary Meeting & Expo (VMX) and the PGA of America Golf Professionals Show, which drew a combined 70,000 attendees. Short-term rentals experienced solid growth, with demand and ADR up 9% year over year. (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) decreased by $8.7 million in January as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserves, which is a component of the R&RR, is currently at $120.7 million, of which $45.6 million is obligated for Applicant Review Committee (ARC) grants for various capital projects. The decrease in the R&RR is primarily due to the payment of $6.5 million for the Arts and Cultural Affairs program, as well as a transfer to replenish the O&M Fund.

We will release the February TDT collections report in early April.

1. Bond Reserve Account is restricted for debt service only and equals the maximum annual debt service payment.

2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $65,001,644.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This total includes $45,580,798 that has been obligated for Application Review Committee (ARC) grants for capital projects. This reserve can be used for any legally authorized expenses.
