February saw tourism demand rise across hotels and short-term rentals, driven by major convention and holiday-weekend travel. Orange County's hotel occupancy rate in February surpassed last year by 1.2%, settling at 82.9%. Room demand increased by 2.4%. The Average Daily Rate (ADR) for Orange County's hotels was $262.27 reflecting a 6.3% increase from the previous year. The Orange County Convention Center welcomed Design & Construction Week, which brought in both the National Kitchen & Bath Association and the National Association of Home Builders, drawing a combined 122,000 attendees. The week of the Design & Construction events, Metro Orlando recorded an 89% occupancy rate — the second highest weekly rate in over five years. Orlando remains an appealing weekend getaway, with the Presidents Day weekend averaging 91% occupancy over the course of the four days. Short-term rentals also grew, with demand up 15% and ADR up 21% year over year. (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $9.0 million in February as shown in the attached "TDT Cash Reserve Summary". The Other Authorized Uses Reserve, a component of the R&RR, currently totals $129.7 million. Of this amount, $95.4 million has been obligated as follows: $59.7 million is committed to Applicant Review Committee (ARC) grants supporting various capital projects, $20.5 million is committed for the bid fee and event pursuit costs associated with the 2029 or 2030 NBA All-Star Week, and $15.2 million is committed for the bid fee and related expenses for the 2028 International Olympic Qualifier Series.

We will release the March TDT collections report in early May.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement.
