ORLANDO, FLORIDA – "March 2026 didn't just set a new monthly high—it rewrote the record books" said Phil Diamond, Orange County Comptroller. "Collections reached an all-time peak for any month, surpassing the previous record set in March 2024 by a big margin." According to Diamond, March 2026 collections were $42,917,000 an increase of 6.8% over March 2025.

The chart below shows the monthly year-over-year dollar amount change in TDT collections since October 2023.

‘Spring break travel and increased convention activity fueled March performance, with hotel occupancy surpassing last year and demand rising across hotels and short-term rentals. Orange County’s hotel occupancy rate in March surpassed last year by 3.2% at 80.8%. Room demand increased by 4%. The Average Daily Rate for Orange County’s hotels was $260.89 reflecting a 3.5% increase from the previous year. The Orange County Convention Center reported double-digit growth in attendance largely because of the shifting of MegaCon from February to March which brought a reported 195,000 attendees.’ (Source: Visit Orlando)

On the TDT reserve side, Renewal & Replacement Reserves (R&RR) increased by $9.8 million in March as shown in the attached “TDT Cash Reserve Summary”. The Other Authorized Uses Reserve, a component of the R&RR, currently totals $139.6 million. Of this amount, $80.6 million has been obligated as follows: $44.9 million is committed to Applicant Review Committee (ARC) grants supporting various capital projects, $20.5 million is committed for the bid fee and event pursuit costs associated with the 2029 or 2030 NBA All-Star Week, and $15.2 million is committed for the bid fee and related expenses for the 2028 International Olympic Qualifier Series.

We will release the April TDT collections report in early June.
