2. The Committed for Future Bond Reserve consists of funds earmarked to cover a portion of the anticipated future bond reserve in connection with the financing of the Convention Way Grand Concourse project.

3. Property, Plant & Equipment is the amount that the County has committed to maintaining as a reserve for property replacement. This amount is equal to 4% of the Convention Center's gross physical plant and equipment cost-excluding construction in progress. This Renewal and Replacement Reserve component is currently fully funded at $65,030,815.

4. Tourism Stabilization is a reserve, which when added to all other reserves (with the exception of the Other Authorized Uses reserve) equals $300 million dollars - Orange County's recommended reserve level. This reserve protects against tourism market downturns that could impair the County's ability to pay for its ongoing obligations.

5. Other authorized uses are reserves, which when added to all other reserves exceed $300 million dollars. This total includes $77,958,786 that has been obligated for Application Review Committee (ARC) grants for capital projects, the 2029 or 2030 NBA All-Star Week and the 2028 International Olympic Qualifier Series.
